

I want to volunteer

how Volunteer Centre Sutton can get you started with volunteering

Have a look at our website at www.vcsutton.org.uk/volunteer

We connect you with local organisations, so whether you want to try something new or support a cause you care about, there's a role for everyone.

Look for a role on our Volunteer Hub www.vcsutton.org.uk/volunteer-roles-hub

1

Look for a role using the search or filters. Read the role details to see if it's right for you and what skills you need.

2

Fill in the short form at the bottom of the page and tell the organisation why you're interested.

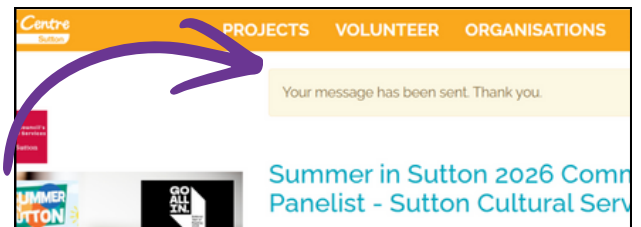

TIP: Use the message (no more than 100 words) to tell the organisation a bit about yourself, and why you are interested in, and suitable for the role.

3

We'll check your form and send it to the organisation within 3 working days.

TIP: When you click on the SEND MESSAGE button, you should see this which tells you we have received it.

4

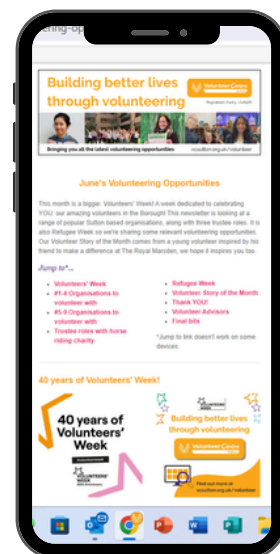

The organisation will usually contact you (by phone or by email) within 10 working days to explain what happens next. This might include an interview, references, or a DBS check.

Prefer to chat in person?

Come and have a chat with one of our Volunteer Advisors!

We have a team of **friendly volunteer advisors** who are themselves volunteers, and really enjoy helping others to volunteer too. They can have a **chat with you** to find out about the sorts of things you are interested in, and **help you find out what's on offer**.

Our volunteer advisor sessions:

- take about 45 minutes to 1 hour
- take place on Wednesdays and Thursdays
- either morning (10.15am; 11.15am) or afternoon (2.00pm; 3.00pm) at our office in Wallington (Third floor, Carew House, Railway Approach, Wallington SM6 0DX)

If you want to request an appointment on behalf of someone else, especially if they have additional support needs, please contact us at hello@vcsutton.org.uk.
