5. VOLUNTEER CENTRE SUTTON BACKGROUND INFORMATION

Volunteer Centre Sutton (VCS) is the operational name of Sutton Borough Volunteer Bureau (SBVB) and is located at 216-220 High Street, Sutton, Surrey SM1 1NU. Phone: 020 8661 5900. Email: vcsutton@vcsutton.org.uk

Legal Status

SBVB was established in 1965 as part of Sutton Centre for the Voluntary Sector (SCVS) and became an independent charity No. 1048978 and Company Limited by Guarantee No. 3088644 in 1995. In 2019 Volunteer Centre Sutton became a **Charitable Incorporated Organisation (CIO)**.

Volunteer Centre Activities

Volunteer Centre Sutton provides the infrastructure for volunteering in our local community. We inspire individuals to volunteer and connect them to inspiring volunteering opportunities locally, working with over 500 Voluntary & Community Organisations (VCO's) and supporting over 1500 residents to volunteer each year. We believe there's so much inherent value held within communities, and it's our mission to release it by inspiring people in the London Borough of Sutton to give of their time and talents to help others.

Volunteer Centre Sutton (VCS) delivers five core functions, as identified by NCVO, namely:

1) **Brokerage** – We offer a signposting and matching service for volunteers and Voluntary Community Organisations (VCOs) with information and advice to volunteers about the thousands of volunteering opportunities available locally, ensuring the supply of volunteers is consistent with the demand. We support volunteers who have additional needs and ensure VCO's are resourced with the right volunteer for their work in the community.

2) **Good Practice Development** - Because volunteers are such a valuable resource, we provide Good Practice volunteering infrastructure, ensuring volunteers are supported, respected and valued for their contribution. Principally we achieve this by embedding the Volunteer Management Charter into VCO practices. We support and resource VCO's with tools and guidance, national updates to achieve 'Investing in Volunteers' and ensure practices in relation to volunteering are completed within legal and best practice boundaries. We mediate and support VCO's and individuals with issues surrounding their volunteering.

3) **Volunteering Development** - We support VCO's in developing volunteering opportunities in a variety of contexts. This may be to grow their impact and reach around a specific area of work. It may be in relation to developing a funding bid that will require a new volunteering role for them, including volunteer recruitment targets. We help develop person specifications, role descriptions,

supervision structures and full cost recovery models associated with managing and coordinating volunteers.

4) Policy Response and Campaigning - We are the voice of volunteers locally; we respond to issues that are effecting the use of volunteers and advocate for fair and right treatment of volunteers. Recent examples include the 'Work Fare' programme, which sought to force unemployed individuals to volunteer in order to claim benefits. We have successfully engaged with a national campaign to 'Keep Volunteering Voluntary' and ensured that no individuals are forced to volunteer in Sutton. We also play an important role in leading the way in thanking volunteers locally.

5) Strategic Development of Volunteering - We play a vital role in collecting and collating data with regards to volunteering. We analyse trends and significant changes in the volunteer market and then inform and enable VCO's to respond accordingly. Strategic development of volunteering plays a crucial role in the continual stimulation of volunteers coming into the market, and ensures volunteering opportunities remain relevant to their community.

6) Volunteer led programmes we deliver-

VCS also play a significant role in delivering projects to meet identified unmet need in the community, these include:

- **MAPS – Mentoring, Advocacy and Peer Support** delivers training, support and supervision for volunteer mentors to enable them to support vulnerable children or young people, as well as an independent advocacy service to young people in care and those subject to a child protection plan.
- **Sutton Befriending** is aimed at reducing social isolation and loneliness of older people and vulnerable adults who are able to make a friendship relationship with a volunteer befriender. Recent expansion has enabled us to offer group activities to provide support and reduce loneliness and isolation.
- **Citizens Commissioning Programme** enables local residents to have a voice in public sector commissioning activity, ensuring services provided for local people represent the best outcomes and value for residents.

VCS holds: The Queens Award for Voluntary Service (an organisational MBE), Investing in Volunteers; Positive About Disability, Volunteer Centre Quality Accreditation (VCQA) & Centre for Excellence and Outcomes (C4EO). We also hold specific quality frame marks consistent to our delivery programmes such as Project Oracle and Children's Advocacy quality framework.
