Focus Surrey Saturday Club for children with autism taster session to coincide with the King's coronation and Big Help Out

How does it work?

TRAINING DAY 1
 Introduction to our Saturday Club, autism and the principles of ABA

MEET THE CHILDREN
 Discover their interests and build rapport

TRAINING DAY 2
 In-depth training on how to support the children to achieve targets

ACHIEVE
 Support the children to work on targets through play and fun!

Our aim

To help children with autism spectrum disorder (ASD) and social communication difficulties to develop their communication, play and social skills using the principles of Applied Behaviour Analysis (ABA), an evidence based teaching method

Play Assistant Role

As a Play Assistant, you will work one-to-one with children to create learning opportunities through play and fun in a natural environment setting and support the children to work on specific targets with ongoing supervision from qualified professionals

The hours are 9am to 4pm, each Saturday for 12 weeks. The club is based in Morden, Surrey.

Why should you volunteer?

This is a fantastic opportunity for anyone looking to pursue a career in education, care or any field working with children and young people.

Experience and skills you will gain:

- Knowledge of autism and social communication difficulties
- Practical application of an evidence based teaching method
- Valuable experience working with children with disabilities
- Teamwork skills and working with professionals
