

How Can Volunteer Centre Sutton Help You to Volunteer?

Finding volunteering opportunities if you are under 18

If you are under 18, the easiest way to find **volunteering opportunities** is to look on our **Volunteer Hub**. You can filter your **search in various ways**, including roles open to under 18s.

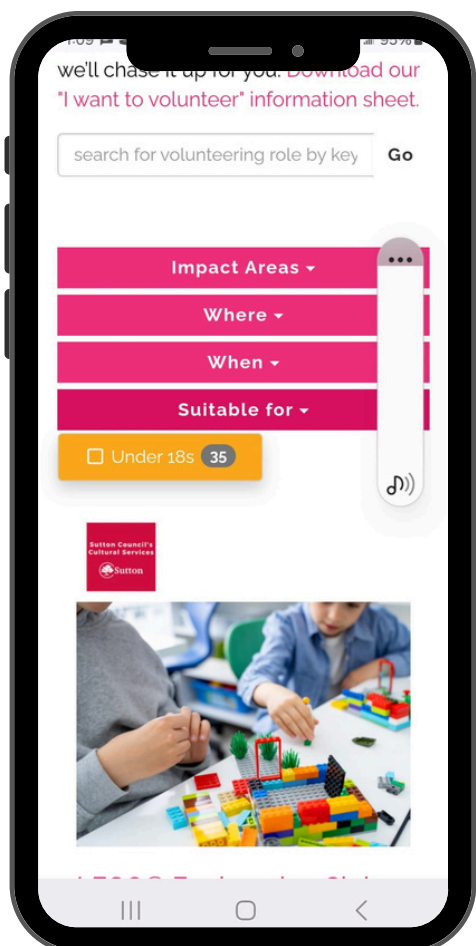

Applying for a Work Experience Week

Please note that the volunteering opportunities listed on our **Volunteer Hub** are **NOT suitable for Year 10 or Year 12 work experience weeks**.

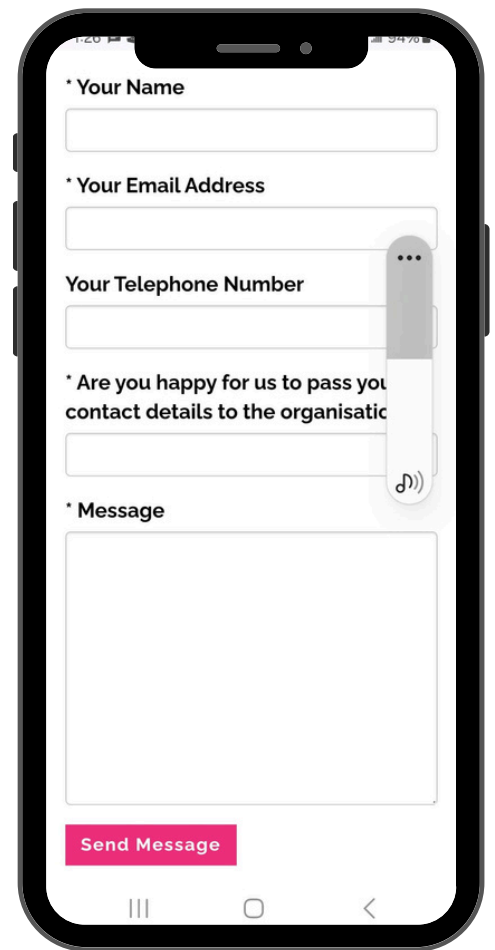

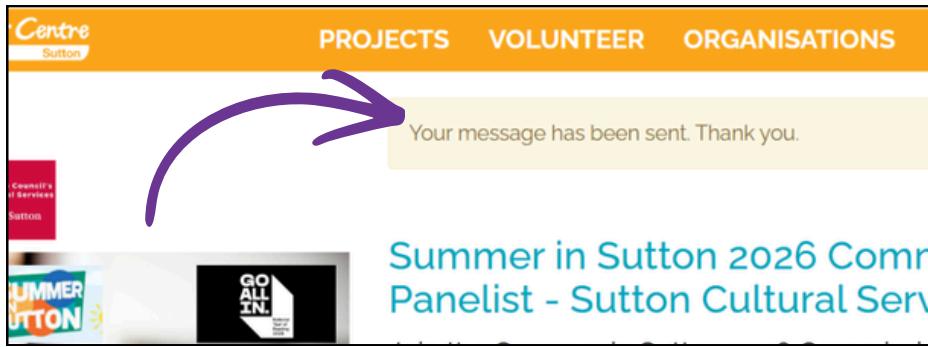

If you are interested in completing a **work experience week** with one of the organisations featured on the Volunteer Hub, you must **contact the organisation directly** and **NOT apply through the Volunteer Hub**.

How to use our Volunteer Hub

1. Go to www.vcsutton.org.uk/volunteer-roles-hub/
2. Filter by "Suitable for Under 18s"
3. This will show you all the roles open to people under 18.
4. Read the role description to check what age range the role is open to (16+, 15+, 14+, 13+ 12+, 11+)
5. Check the details carefully, including the time commitment – for example, whether you are able to volunteer after school or college, in the evenings, or at weekends.

6. Fill in the short form at the bottom of the page and tell the organisation why you're interested. PLEASE INCLUDE YOUR AGE.

TIP: When you click on the SEND MESSAGE button, you should see this which tells you we have received it.

- 7. We'll check your form and send it to the organisation within 3 working days.
- 8. The organisation will usually contact you (by phone or by email) within 10 working days to explain what happens next. This might include an interview, references, or a DBS check.
